Information

Description

Lowe's is the second-largest home improvement retailer in the world, operating more than 1,700 stores in the United States, after the 2023 divestiture of its Canadian locations (RONA, Lowe's Canada, Réno-Dépôt, and Dick's Lumber). The firm's stores offer products and services for home decorating, maintenance, repair, and remodeling, with maintenance and repair accounting for two thirds of products sold. Lowe's targets retail do-it-yourself (around 75% of sales) and do-it-for-me customers as well as commercial and professional business clients (around 25% of sales). We estimate Lowe's captures a high-single-digit
